American Prairie Reserve -Dr. Daniel Kinka

Roundtable & Possible Meeting Topics

- Concerns with CWD is the hot topic. Trail plan issues with county. Went with brother to hunt at Inverness... there were no CWD signs anywhere along the way. Confusion regarding how to sample
- Moose testing positive over by Troy is a big deal. If you have an animal test positive, can you get another tag? Can hunting occur on open MDT lands? Fairmont Egan is open to hunters ed program in the school.
- How is it going with the bears in Whitefish?
- Grizzly problems - how do "we" haze them out of towns and back into the woods where they belong? ...need to remove the attracts or they will continue to come back.
- Lower valley weapons restriction area
- Fishers DNA have found that some actually belong in MT. Gave an update on the project/
